He used as a pretext Dr. Fritz ARLT & WERNER (fma)...CAPARIDON states that in 1939 he made the acquaintance of Dr. Fritz ARLT & WERNER (fma). ARLT was at that time attached to a German military division and wore civilian clothes...was interested in political and ideological side of the Ukrainian Liberation...when ARLT was a member of the AFTERNOON club, S/A Camille Hajdu of Region IV (CIC) once stated that ARLT was some kind of German liaison officer to OUN Banders during the war. Whether ARLT did strictly intelligence work during the war is uncertain, but it is a fact that since 1945 he has worked in an intelligence capacity for Region IV and for Constabulary MIS.
